

Christian Formation Report

The Christian Formation Team continued to provide weekly Christian Formation opportunities.

Wednesday Bible Study: The regular Wednesday offering is Bible Study using the lessons for the following Sunday. This group is led by one of the team members. Each bible study leader has their own style, and each study stands on its own. This type of study allows for anyone to drop in any Wednesday and be able to fully participate.

Thursday Morning Bible Study: The Thursday morning Bible Study is led by Elaine Jackson. Thursday mornings have been focusing on a particular book that is selected by the group. The group is very welcoming, and anyone can join in even if the book study has already started.

Special Offerings: The Lenten and Advent Series provided a more thematic Christian Formation. In June, in preparation for St. John's celebration of Juneteenth, the Wednesday evening Christian Formation created a special series to learn of the African American experience both in our Church and our community.

We look forward to our Lenten Series 2022 where we will study the History of Christianity using a PBS video series by Darmaid MacCulloch. See you all there.
