

Senior Wardens Report 2022

I was humbled and blessed to be asked by Mother Minerva to be your Senior Warden for 2022. I had a great vestry to work with which included Sandy Wells who was also the Church treasurer, Maria Caballero our clerk, Carolyn Cline, Kevin Flegal our Junior Warden, Alfonso Hernandez, who was replaced by Maria Angie when he resigned, Carlos Lugo, Patricia Mata and Sandra Ward.

We lost our beloved Carolyn Cline when she passed, and she has been greatly missed. We also lost Maria Angie when she resigned to become our parish administrator. She has been a true blessing and handles this task wonderfully. Sandy resigned as our treasurer to deal with her medical condition, and we pray for her constantly.

The vestry and I have done our very best to make good use of the blessings that God has bestowed upon us. When monies were needed for the new AC in the Narthex, we were ready due to faithfulness of your pledges and plate giving. We have written a sizable check to the Central Texas food bank. We also gave a check to an organization to help immigrants. We also join Central Texas Interfaith who has been instrumental in training quite a few of the leaders in our church. This organization is actively involved with city leaders and county leaders to encourage legislation that helps the less fortunate including affordable housing. These are just a few of the highlights of the year. I believe we are very blessed to have Mother Minerva as she is a wonderful preacher and a compassionate leader.

I thank God for the opportunity to serve you.

Steve Kriechbaum
